Club Corvette of CT

Remembers Our Dear Friends,

Ed and Lucy Kreho

We mourn the loss of our dear friend and longtime club member, Lucy Kreho, who passed away just seven short months after her devoted husband, Ed.

Lucy was warm, caring, and blessed with a radiant smile that welcomed everyone she met. She and Ed were inseparable, sharing a love for each other, their Corvette, and their Corvette club family.

Lucy was loved beyond words and will be deeply missed by all who knew her. May God guide you on your peaceful journey home, Lucy, reunited with your beloved Ed.

With love, from your Club Corvette of Connecticut family.

President's Message, November, 2026

We can never adequately express our gratitude for all that we owe to those who protect us. Veterans Day is a beautiful occasion to honor everyone who has ever served our nation in uniform. It's a day to recognize the courage, sacrifice, and dedication of the brave souls who put their country first.

Happy Thanksgiving to all as well! Thanksgiving celebrations can be more than just "Turkey Day." Thanksgiving prompts us to appreciate everything that we hold dear while giving thanks for the harvest and blessings of the past year.

Buckle up for a VERY busy December! We start out with our membership meeting on Dec. 1st, and the following Sunday, December 6th, is our Korvettes for Kids toy drive. Renee DiNino, Director of Community Affairs for WFSB Channel 3 and host of Hello Connecticut, will be promoting this event with us this year. The "Trees of Hope" at the Long Wharf Maritime Center in New Haven runs from December 5th to the 13th this year and raises money for the Ronald McDonald House. Once again, Club Corvette of Connecticut will be sponsoring a Corvette tree. Additionally, our Club will be honored at the event for our charitable efforts in supporting the Ronald McDonald House.

The following Saturday, December 12th, we will have our annual Holiday Party at the beautiful Clinton Country Club. This will be an enjoyable evening of great food, entertainment, and fun with fellow Club members.

Lastly, we will once again be participating in Wreaths Across America on December 19th. Our Club will be placing 100 wreaths on graves at East Lawn Cemetery in East Haven as we honor our country's veterans.

A special "Thank You" to all who will be serving on our Club's executive board in 2027. Thank you for your time, talents, and the efforts that we all put forth to make our Club enjoyable and allow us to help others who are less fortunate than ourselves.

~ Rick

Club Communication Challenges in 2026

Do you remember the old game where everyone stood in a circle and whispered a message to the person next to them? By the time it got all the way around, "Meet at 7 PM" somehow turned into "Bring seven pies." Welcome to club communications in 2026.

As a statewide club, one of our biggest challenges is getting information to everyone. Some members prefer email. Others text. Some use Facebook, while others are on Instagram. A few members do neither.

Ironically, Al Cusano (our Webmaster) and I recently discovered that we have a members-only Facebook page. Once we found out about it, it took us days just to join!

Another challenge is the wide range of technical skills among our members. Not everyone owns a smartphone, tablet, or computer. How many members are still carrying a flip phone? Don't be shy, we know you're out there.

The reality is that there is no perfect way to communicate with everyone. That's why we use a combination of the newsletter, website, email, social media, and good old-fashioned conversations.

So if you hear something that sounds surprising, unusual, or just too good to be true, double-check the source. Otherwise, we may end up playing the world's largest game of Telephone.

After all, technology changes every year, but miscommunication remains remarkably reliable.

Links to our social media accounts will start appearing on the last page beginning in December.

— Dave Pascoe, Newsletter Editor

TOY DRIVE

Ronald McDonald House

STATE POLICE

Club Corvette of Connecticut

26th Annual Korvettes for Kids Cruise 2026

When: Sunday December 6th, rain or shine, bring your daily driver if the weather is less than perfect.

Meeting: 9:30 AM at Bobby Crabtree Chevrolet, East Haven, CT (arrive a little early if you can). Refreshments will be available!

Leaving: 11:00 AM SHARP!!! with a State Police escort!!!

Have Unwrapped Toys will Travel!

Again, this year we will be led by Santa and a State Police escort down I-95 to Troop G in Bridgeport. Last year, the club made many children happy during the holidays and filled over 75 Corvettes with toys which were then delivered by the State Police to children throughout the area during the holiday season. This year let us try to break that record.

This is an exceptional "feel good day" as Club Corvette of Connecticut will also present our donation to our adopted charity, The Ronald McDonald House of New Haven at the toy drive just prior to the caravan leaving for Troop G headquarters.

***** We welcome Corvette owners who are not members of Club Corvette of Connecticut to participate and bring their Corvette filled with unwrapped toys and join our caravan. *****

Come join the holiday fun!!!!

If you have any questions call for details Jack 203-824-3848

CLUB CORVETTE OF CONNECTICUT

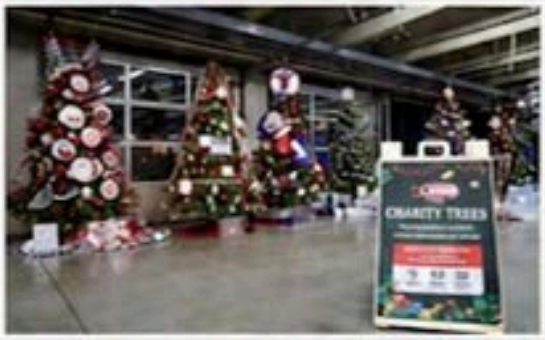

Trees of Hope

Supporting Our #1 Charity

Ronald McDonald House of Connecticut

Help Us Make a Child's Christmas Brighter!

Since 1990, Trees of Hope has been a cherished holiday tradition in Greater New Haven, raising funds for The Ronald McDonald House of Connecticut.

For the past two years, Club Corvette of Connecticut has proudly sponsored a Corvette-themed tree. The centerpiece is a bright red, electric Corvette that will bring a smile to one lucky child's face! Together, our trees have raised more than $3,000 for this wonderful cause.

Now, we need your help!

Joyce Baiardi works diligently to prepare and decorate our tree ahead of the fundraising event. We're asking club members to help make our tree extra special by donating gift cards, Corvette-related toys, and other Corvette-themed items.

Gift cards from any merchant and in any amount are welcome!

How You Can Help

You can help in either of two ways:

1. Mail your gift cards directly to Joyce **by November 23:**
   Joyce Baiardi
   27 Vermont Ave.
   Milford, CT 06460

2. Bring your donations to a club meeting, and we'll make sure Joyce receives them.

Let's come together once again to support a wonderful cause, celebrate our love of Corvettes, and help make the holidays brighter for a deserving child!

Thank you,
Rick

Club Corvette of Connecticut

Cordially invites all club members to our

Annual Holiday Party

Saturday, December 12, 2026

Cookie Capsalors

Club Corvette of Connecticut

Our Member in the Spotlight

Cookie Capsalors

Cookie Capsalors and her husband, Doug, have called Bristol home for 40 years and recently celebrated 43 years of marriage. Cookie describes Doug as the love of her life and her soulmate. Together, they have a son, Adam, and two grandchildren, Lia, 14, and Kai, 12, who were adopted from China.

Cookie enjoyed a rewarding 33-year career with CW Resources Inc. in New Britain, Connecticut. She began as a Sales Representative and eventually rose to the position of Senior Vice President. One of her most meaningful contributions was bringing work into the facility, giving individuals with disabilities opportunities to develop job skills and prepare for employment.

Retirement hasn't slowed Cookie down. She loves baking and sharing her homemade treats with friends and even contractors who come to work at her home. She also devotes considerable time to her church, where she has served on the Church Council for 10 years. Her volunteer roles have included usher, greeter, coffee hour host, and tag sale worker.

Cookie and Doug joined Club Corvette of Connecticut in May 2018. Their 2019 Torch Red Stingray arrived on May 1, just two days before Doug's birthday on May 3. Cookie told him the Corvette was his birthday present! After retirement, the two discovered a shared love of Corvettes and decided it was time to make the dream a reality.

Since joining the club, Cookie has collected some wonderful memories. One of her favorites was participating in the 2024 Caravan. She was the sole driver for the trip and was thrilled to be car number two behind JD Venables. A highlight along the way was visiting the D-Day Memorial in Bedford, Virginia.

Our Member in the Spotlight

Cookie Capsalons

Another memorable experience took place at Thompson Speedway, where Cookie had the opportunity to ride alongside Darryl DelGuidice as he took his car around the track. Wearing Rick Wasserback's helmet—thanks, Rick!—Cookie quickly discovered that riding on a racetrack was quite different from an ordinary Sunday drive!

As they approached the first couple of turns, she remembers thinking, *"What did I get myself into?"* She gradually became more comfortable as the laps continued, although she suspects Darryl still has her handprints permanently embedded in his seat! After the ride, Ray Zisa came over and reassured her with a simple, "You did great!" It's certainly a memory she won't soon forget.

It's About the People

When asked what she enjoys most about Club Corvette of Connecticut, Cookie doesn't hesitate: it's the people. She and Doug have developed many wonderful friendships through the club and appreciate having so many knowledgeable members willing to help whenever questions about their Corvette arise. Cookie is particularly grateful to Kenny Uliano for installing Apple CarPlay in their car.

The summer club picnic is another favorite. Cookie and Doug enjoy reconnecting with members they haven't seen in a while and catching up on everyone's news. For them, these gatherings are about more than Corvettes—they're about the friendships and shared experiences that make the club special.

From a successful career helping others, to family life, church service, homemade baked goods, and adventures behind the wheel of a Torch Red Stingray, Cookie brings enthusiasm and a genuine appreciation for people to everything she does. We're glad she and Doug are part of the Club Corvette of Connecticut family!

CORVETTE
Winter Storage Prep

A Simple Checklist to Keep Your Corvette in Top Shape During the Off-Season and Ready for Spring!

- ☑ **Battery Care**
  Keep the 12-volt battery charged with a quality maintainer (trickle charger) to prevent drain and extend battery life.
- ☑ **Tires**
  Inflate to the recommended cold pressure (often a few PSI higher) to prevent flat spots during storage.
- ☑ **Clean & Protect**
  Wash, dry, and apply a quality wax or sealant to protect the paint from the winter months.
- ☑ **Fluids**
  Check for leaks and verify fluid levels — oil, coolant, brake, power steering (if equipped), and windshield washer.
- ☑ **Fuel System**
  Fill the tank with fresh, high-quality fuel and add a fuel stabilizer. Run the engine for 10–15 minutes to circulate through the system.
- ☑ **Storage**
  Use a clean, dry, well-ventilated space. A breathable car cover helps prevent dust and moisture buildup.

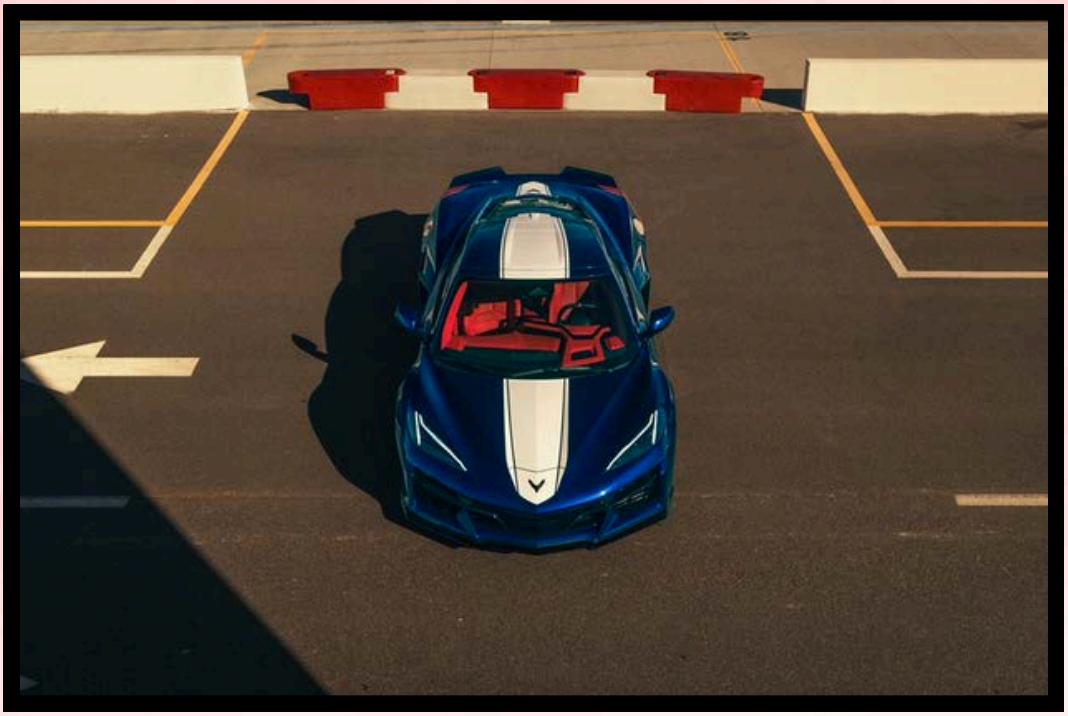

Additional Tips

- Check the brake system before storage and again in spring.
- Keep the interior clean and dry; use a desiccant to control moisture.
- Cover the exhaust tips to keep out moisture and critters.
- Check wiper blades and replace if needed.
- Inspect for any signs of leaks or rodent activity during storage.

A Little Preparation Now Means a Smoother Start When Spring Driving Season Returns!

That Was Fast!

One Out of Every Three 2027 Corvettes is Now a Grand Sport

By Joe Kucinski - July 7, 2026

GM has been building 2027 model year Corvettes for about three weeks now, and we're already seeing some interesting trends. Thanks to data from Roger Kiel's C8 Production Tracker as first reported by Corvette Blogger, the new C8 Grand Sport is off to a roaring start. Before closing for summer break, the Corvette plant built 1,689 2027 Corvettes. Of those, 590 are Grand Sport models. That is a healthy 35 percent of all Corvette production so far. The full production breakdown looks like this:

Stingray: 719

Grand Sport: 590

Z06: 241

ZR1: 91

ZR1X: 48
